Current role	Junior Front-End Developer at Lorem Ecellentiam Services
Technologies	React, CSS, JavaScript, PHP, HTML

## Work experience

Junior Front-End Developer, Lorem Ecellentiam Services 🏢 Jan 2023 – Present (7m)

React    CSS    JavaScript

- Designed and maintained responsive user interfaces, meeting technical specifications and enhancing user experience.
- Developed the user interface for a children's gaming platform using ReactJS, ensuring engaging and interactive gameplay.
- Collaborated closely with product team members to successfully implement new feature developments, driving continuous improvement.

Front-End Deputy Team Lead, HNG Internship 🏢 Oct 2022 – Dec 2022 (2m)

React    CSS    JavaScript

- Translated Figma designs into high-quality code using ReactJS and CSS.
- Developed functional and reusable ReactJS components.
- Maintained detailed documentation and git history for all work done and used Github in a remote team environment.

Trainee Associate, Strachan Partners 🏢 Oct 2021 – Sep 2022 (11m)

- Provided a full spectrum of company secretarial services for our corporate clients which included updating and maintaining statutory records at the Corporate Affairs Commission, creating Board and Board Committee packs, attending Board and Board Committee meetings, and preparing agendas and the minutes of the Board meetings held.
- Prepared legal opinions for our corporate clients on different issues ranging from recovery of debt to the payment of stamp duties to the Federal Inland Revenue Services (FIRS).

Web Developer (freelance), Executive Errands Managers 🏢 Jan 2022 – Mar 2022 (2m)

PHP    CSS    HTML    JavaScript

- Translated Figma designs into high-quality code using HTML, CSS, and Javascript.
- Coordinated and communicated with the client to better understand their brand, business goals, and visual vision.
- Assessed UI designs for technical feasibility.
- Created a responsive and functional user interface with CSS Flexbox and Media Queries that allowed cross-platform accessibility to the website on any device.
